**In only five years you have 800% return on your investment and raised \$110,000**

### **DOUBLE YOUR FLAGS AND DOUBLE YOUR FUNDRAISING PROFITS**

We have found with annual programs, organizations will find 90% to 95% of their sponsors will renew the next year. Your job becomes easier and you can focus on signing up NEW sponsors to raise even more money.

Your community will support this patriotic dramatic display. By providing this event residents will applaud you for recognizing those who protect us both locally and internationally.

Military, Law Enforcement, Firefighters and Emergency Medical Service providers are rewarded by seeing they are appreciated for the protection that they provide.

You choose when and where to hold this event. Consider Memorial Day, July 4th or Veterans Day, in local parks, or schools. Honor our heroes at one location or several. One holiday or several. The community will love this project and so will our heroes.
